

NORTHERN UTAH STEM EXPO

SCIENCE TECHNOLOGY ENGINEERING MATHEMATICS

MONDAY, NOVEMBER 7, 2022
4:30-7:30 PM

Davis Conference Center
1651 N. 700 W. Layton, UT 84041

FREE FAMILY NIGHT

Bring your family to the free STEM EXPO (Science, Technology, Engineering, and Math). Parents and students from Davis, Weber, Ogden, and Morgan School Districts are invited to attend this free family event featuring local STEM business and education institutions.

Learn about career opportunities in the local STEM industries. Learn more about STEM with hands-on activities, and meet with representatives of local technical colleges, community colleges and universities to explore educational pathways. Come be a part of the explosive and exciting world of STEM!
